

### Ras Al Khaimah group to develop Sonadia Island

The Ras Al Khaimah Investment Authority has expressed interest in building an exclusive tourist zone at the beautiful Sonadia Island in Cox's Bazar. As the world's longest unbroken sea beach, the district holds huge untapped tourism potential. The Ras Al Khaimah group has a plan to develop the tourist zone and offer modern facilities to global standards with the aim of attracting a large number of tourists to the region.

The Ministry of Civil Aviation and Tourism in Bangladesh is now conducting a feasibility study to cover commercial and environmental impacts of this proposal on the region.
