

Ras Al Khaimah organises Ramadan Festival

The Ras Al Khaimah Chamber of Commerce and Industry will organise the Ras Al Khaimah Ramadan Festival. The festival will have daily activities to be organised at various locations in the emirate.

Saeed Musabah Al Nuaimi, the deputy director of the chamber, said "We have decided that this is the right time to launch the festival and run for Ramadan festivals competition, as Ras Al Khaimah is ready now to host as many visitors as it takes."

Ras Al Khaimah will hope that the festival will promote Ras Al Khaimah internally and externally and bring tourism into the emirate.
